

Fatima Umair

Fintech Technical Writer

Faisalabad, Pakistan
fatima.umair.docs@gmail.com
linkedin.com/in/fatima-umair-56b337224

Strategic Technical Writer specialized in **Fintech and Regulatory Compliance**. Expert at translating complex financial logic, such as the **EU VAT Directive**, into clear technical documentation and SOPs. Proficient in **Docs-as-Code** workflows, Markdown, and API documentation.

CERTIFICATIONS

Technical • 10/2022 - 01/2023
e-Rozgaar

Freelancing • 07/2022 - 10/2022
DigiSkills Training Program

Computer Diploma • 07/2017 - 12/2017
Sir Yasin's Way Computer College

PROJECTS

Fintech Documentation & Portfolio Portal

GitHub Pages / Personal Portfolio

- **View Live Documentation:** <https://fatima-360.github.io/fincore-wallet-documentation/>.
- **Source Code & Repository:** <https://github.com/Fatima-360>.
- Designed and deployed a live technical documentation site using a **Docs-as-Code** workflow with **GitHub Pages** and **Markdown**.
- Authored a comprehensive technical guide on the **EU VAT Directive**, simplifying complex cross-border tax logic for Fintech stakeholders.
- Structured an interactive **Fintech Technical Ecosystem** reference table to improve information discoverability for developers.
- Managed all content versioning through **Git**, demonstrating mastery of professional repository management and collaborative workflows.
